Quick Start Fit Guide
Find your perfect pair of ClipOn/FlipUp™ Sunglasses

Step 1. Print This Guide
Print at 100% scale on standard “letter” paper

Match a nickel with this image to confirm size/scale is correct

Step 2: Find Your Style

Full Frame Design

• Traditional rimmed styling
• Fits metal frames

Fits Plastic Design

• Modern rimless styling
• Fits plastic and thicker frames

FlipUp™ Design

• Universal rimless styling
• Attached at nose bridge

Step 3: Find Your Shape and Size
Locate the color-coded Clipon style section in following pages
Place your eyeglasses inside outlines to find the shape and size that fit best

Hint: Full Frame and Fits Plastic Clipons expand to fit the width of your optical frame. Look for a shape that completely covers one of your lenses, and it will expand to cover your whole frame.

Hint: Search shape and size on website for styles that fit your glasses
